**⚠ WARNING:**  
 For Your Child's Safety Read All Instructions

**STRANGULATION HAZARD**  
 • Do NOT attach ribbons, cords or any other items to the teether, unless they are specifically designed for use with a teether, as your child may be strangled by them.

**CAUTION**  
 • Adult supervision required.  
 • To prevent choking, inspect the teether carefully before each use, especially if the child has teeth. Gently pull the teether in all directions to check for any damage. Discard teether at the first sign of damage.  
 • Never dip the teether in sweet substances or medication, as this may cause tooth decay.  
 • If the teether becomes lodged in your baby's mouth, DO NOT PANIC. As gently as possible remove the teether from the baby's mouth.  
 • Please discard this teether after 12 months of use.

This teether is intended to be used to massage and soothe baby's gums during teething. It is recommended for use by babies 4 months or older.

**CLEANING AND STORAGE**  
 To ensure optimal hygiene, always wash and rinse thoroughly before and after use. Clean using mild soap and water. Do NOT fully submerge in water.  
 Do NOT boil or steam; this may cause damage. Do NOT use bleach or any other harsh chemicals. The Teether is NOT dishwasher safe.  
 Dry thoroughly before storing. Store in a dry place out of direct sunlight and away from a heat source.  
 Teether can be refrigerated, but NOT frozen.

**SAVE THESE INSTRUCTIONS**
